

# Communicating LPA Program Changes for Consultants Presented by NDOR and ACEC/N

The new oversight guidelines are posted on NDOR's website and training for the Person in Responsible Charge has begun.

What are the new roles and responsibilities for consultants under the LPA Federal-aid transportation program?

How can you continue to serve your clients as trusted advisors and not jeopardize their federal-aid?

Please read and familiarize yourself with the LPA Guidelines Manual prior to the training. The guidelines are available at this website:

<http://www.transportation.nebraska.gov/gov-aff/lpa/lpa-guidelines.pdf>

**Thursday, July 30**

**Southeast Community College Continuing Education Auditorium  
301 South 68th Street Place (just south of 68th and O Streets)  
Lincoln, NE**
